*Hardie® fiber cement products are noncombustible and/or have a Class A fire rating when tested in accordance with ASTM E84. Fiber cement fire resistance does not extend to applied paints or coatings, which may be damaged or char when exposed to flames. The use of noncombustible siding, combined with other fire mitigation measures, may help harden a home against external fire.

Texas Builder Promotion

Terms and Conditions:

James Hardie Texas Builder Promotion is valid for purchases made between January 15, 2025 and December 31, 2026.
