

BACKYARD BUCKETS OF FUN

Splash Zone Bucket Head

WHAT YOU'LL NEED

- 1-gallon bucket per team
- Ping pong balls
- Tape to mark toss line
- Timer

HOW TO PLAY

1. One teammate places (holds) the 1-gallon bucket on their head. Fill the bucket with a little water or a lot!
2. Their partner stands at the toss line and throws ping pong balls.
3. The "bucket head" can move to catch but no hands.
4. Switch roles after each round. Most balls caught and most water kept wins!
