

# BACKYARD BUCKETS OF FUN

## Bucket Pour Relay

### WHAT YOU'LL NEED

- 1-gallon bucket per teammate
- Water to fill first bucket
- Tape measure to judge water levels
- Teams of 3-5 players

### HOW TO PLAY

1. Team sits in a line, each holding a 1-gallon bucket overhead.
2. The first person's bucket starts full of water.
3. Pour backwards over your head into your teammate's bucket!
4. Team with the most water in the last bucket wins!
